

## **Paris American Institute (PAI) - British University College**

### **(BUC) Association**

PAI is excited to introduce a ground-breaking collaboration with the esteemed British University College International (BUC) in Ajman, UAE, bringing forth a transformative era in education at PAI. The British University College International, driven by a vision to redefine education, is dedicated to cultivating academic brilliance, innovation, and global awareness. The institution has consistently upheld a standard of educational excellence, adapting its programs to align with the evolving needs of the contemporary workforce.

An extraordinary testament to the institution's success is the remarkable 97% recommendation rate from graduates, a reflection of the quality education and enriching experiences provided by British University College. The university community itself is a melting pot of diversity, representing over 37 nationalities, creating a vibrant and multicultural learning environment that fosters global perspectives.

The institution offers cutting-edge blended learning programs that seamlessly integrate online and in-person experiences, accommodating diverse learning styles and ensuring accessibility for all. BUC's globally recognized programs align with international education standards, symbolizing academic excellence and opening doors to opportunities worldwide.

Moreover, British University College is unwaveringly committed to the success of its graduates, offering placement initiatives and establishing robust industry connections. Recognizing the diverse needs of students, BUC provides both regular and part-time classes, catering to full-time students and working professionals alike.

Explore a comprehensive range of industry-aligned courses at BUC, designed to meet the demands of the modern job market, spanning disciplines from business and technology to humanities and sciences. BUC provides a diverse array of academic offerings, including undergraduate, postgraduate, and research programs in collaboration with PAI. These programs cover a wide range of subject streams, providing students with a comprehensive and enriching educational experience. The university takes pride in its esteemed associations with entities such as the Ministry of Foreign Affairs of the UAE, Qualifi, and World Education

Services, enhancing the learning experience and providing invaluable opportunities for students. Additionally, BUC extends its support to international students by providing visa assistance, ensuring a seamless transition into their academic journey.

PAI places its trust in BUC, actively supporting and endorsing the commitment to excellence and innovation that British University College consistently upholds in the realm of education.
